# CHAIRMAN'S MESSAGE

## • LEADER'S SPEAK •

"SAS Arabia" core ability to deliver projects on time, and within budget, has received widespread recognition and accolades.

Our unmatched domain knowledge and expertise have earned us the reputation of a 'pioneer'. Having successfully undertaken several projects, we are poised to achieve the distinction of being the largest piping installation firm in the Middle East.

Further, we are embarking on ambitious plans to undertake and execute some of the most challenging projects in the most unforgiving terrains, not just in KSA but also globally. This, indeed, is a testimony to SAS Arabia's emergence as one of the Piping installation companies.

Our drive to the top is powered by a perfect blend of youth and experience across the management and workforce. This apart, cutting-edge technology and equipment, underlying strength of the value-system and well-defined corporate vision, all contribute to our strong foundation of excellence.

SAAS Arabia's activities, operations and performance are the outcome of strict adherence to our motto - Seize the right opportunities in a world of limitless possibilities and lay milestones along the path to success."

**MR. ZAKARIYA TAHIR AL SHAGGAG**  
CHAIRMAN
